PB Conversions specialise in vehicle mobility adaptations for people with disabilities. We are based in Leighton Buzzard in our specialised unit.

We are able to offer our services at our fully equipped workshop. We also offer collection & delivery for vehicles. For quotes and advice please just call us for a free no obligation quote.

We are a small company which was set up in January 2001 by Paul Berridge who has over 30 years of experience within the industry. We offer our customers high quality workmanship with a personal and professional service.

We manufacture our own hand controls, left foot accelerators, we are also approved installers for many other adaptation manufacturers. PB adaptations come with a three-year parts warranty.

We strive to offer our customers a service that they will recommend to others. Our motto **'Giving You Freedom'** is what we want to achieve for everyone.

We offer annual free servicing of adaptations at our workshop. An annual reminder is sent out to all our customers to make sure that their adaptations are in the best working order.

Accredited installer of:

- Alfred Bekker • Autochair • BAS NW •
- Bever • Brig-ayd • Dahl • Elap • Guido •
- Lodgesons • Paravan • Q'Straint •
- Veigel • and others •

We listen to our customers wants and needs and offer our extensive advice freely to ensure they get the most out of their adaptations.

We have several demonstration vehicles adapted so you can see and try some of our adaptations for yourself. These are great for customers who are unsure what adaptations they need and what will benefit them.
